Janeiro de Cima

Ó da barca!
Boat ahoy!

À beira do Zêzere grita-se “Ó da barca!” para fazer a travessia do rio.
Era assim que aqui antigamente se uniam as gentes e o comércio das duas margens.

On the banks of the Zêzere they shout “Boat ahoy!” when they want to cross the river.
In former times that was how the people and trade of the two banks were united.
